**The Best In Colored Diamonds**

*with*  Alan Bronstein, Colored Diamond Expert

**Tuesday, January 14**

What happened to fancy colored diamonds in 2013? What does the future hold for colored diamonds and their long term appreciation? Where does the story begin beyond fable and folklore?

Alan will share with us the majic allure of these phenomenal diamonds and what to expect of them in the future.

*Alan Bronstein*, colored diamond expert and trader for 30 years. Bronstein is the collector of both The Aurora Pyramid of Hope and The Aurora Butterfly of Peace. These renown colored diamond suites have been featured in museums such as the Smithsonian, Museum of Natural History New York, Los Angeles and San Diego.
